JUMPSTART YOUR CAREER

A major key to standing out in the job market before graduation is to identify small but significant ways to jumpstart your career. Upon completion of this workshop, you will begin to identify co-curricular activities and campus resources that will position you for success beyond graduation.

“Decide what you want to be and stand by it. When you truly believe in yourself, everything else will fall into place.”

-Erika R. McCall

TIPS TO CREATING YOUR OPPORTUNITY

In her workshops, Erika provides insight on following your dreams, creating opportunities, and more. Here's a sneak peek...

DISCOVER YOUR PASSION

Identify what you are most passionate about and how you can incorporate your interests in your daily life.

IDENTIFY YOUR RESOURCES

There are resources at your fingertips that will take your vision to the next level. Make a list of the things that will help you reach your goal. Determine what you have, and what you need.

TAKE INVENTORY OF YOUR EXPERIENCES

Believe it or not, you have experiences that have prepared you for this very moment. Write down all of your personal and professional experiences. Once written down, it is much easier to see how you can build upon your experience.

TAKE A LEAP OF FAITH

Following your dream can seem scary. If you are brave enough to follow your dream, you can open yourself up to a life well beyond your imagination.
